DECLARATION

As the below named inventor, I hereby declare that:

My residence, post office address, and citizenship is as stated below next to my name;

I believe I am the original and first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "REMOTE MULTIPLE-USER EDITING SYSTEM AND METHOD", the specification of which is attached hereto, identified as Attorney File No. 2355-1, and filed concurrently herewith;

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims;

I do not know and do not believe the same was ever known or used in the United States of America before my invention thereof, or patented or described in any printed publication in any country before my invention thereof or more than one year prior to this application, that the same was not in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventors' certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives, or assigns more than one year prior to this application and that no application for patent or inventors certificate on this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representatives or assigns except as follows: None;

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a), material information being information where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent; and

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
